MCS CELEBRATES ITS CONTRIBUTION TO IMRESSIVE MILESTONE AT SERITI MINE SITE - KHUTALA

In July 2024, Khutala reached a historic milestone in coal production, underscoring the team's exceptional performance and unwavering dedication. For the first time in Khutala's 38-year history, four sections each produced over 100,000 tons of coal in a single month. This extraordinary achievement not only marks a new record but also represents Khutala's evolution from "Success to Significance," perfectly aligning with Seriti's core principle of consistency.

The top-performing sections in July 2024 were:

- **5th Place: iNkunzi – Delivered a commendable 90,593 tons.**
- **4th Place: iThemba lethu – Showcased resilience with 100,676 tons, edging closer to the million-ton-per-annum trend.**
- **3rd Place: Tau-Tona – Maintained steady momentum with 101,034 tons.**
- **2nd Place: Tswelopele – Demonstrated consistent strength with 107,763 tons, leading the leaderboard year-to-date (YTD).**
- **Coal Kings for July 2024: Insele – Emerged as the top performer with an impressive 109,154 tons.**

Mike Teke extends his heartfelt congratulations to the entire team. He is immensely proud of the dedication and sacrifices everyone has made to eliminate complacency and ensure safe production.

Mike commends the team's unwavering commitment and hard work. He emphasizes the importance of staying vigilant and focused on safety, urging all to continue exercising their rights under Sections 22, 23, and 83 of the Mine Health & Safety Act. Mike also expresses his sincere gratitude to everyone at Khutala for their crucial contributions in helping the site transition from Success to Significance.

MCS CELEBRATES ITS CONTRIBUTION TO IMRESSIVE MILESTONE AT SERITI MINE SITE - KHUTALA

At MCS, we are filled with immense pride to have been a key contributor to this monumental triumph at Khutala. Witnessing such a historic achievement, and knowing that we played a part in reaching this milestone, is a moment of great honor for us.

We have always believed in the power of collaboration, and this success story at Khutala is a testament to what can be achieved when dedicated teams work together towards a common goal. Sharing in the glory of this moment is truly fulfilling, and we are deeply grateful to have had the opportunity to contribute to such a significant chapter in Khutala's history. As partners in progress, we are excited to continue this journey, striving for even greater accomplishments in the future.
